

Retraction Notice

This retracts the article " Influence of Parenting Style on Self-efficacy of Children " in volume ICEIPI 2021 on page 270.

Influence of Parenting Style on Self-efficacy of Children

The manuscript titled "Influence of Parenting Style on Self-efficacy of Children" by Lu Wang, XinHua Ding published in Lecture Notes in Education Psychology and Public Media (LNEP) 2021; ICEIPI 2021: 270-274 [1] is retracted.

After the publication of the above article, one of the authors contacted us that she found some mistakes in the paper. She thought that the findings maybe unreliable and mislead the readers. After carefully consideration, the authors decided to retract the paper.

The editors of LNEP had a discussion over email and concluded that the article need corrections in some of the conclusions. Since the authors would like to retract the manuscript, it was decided to retract the article from LNEP. And this retraction will have no effects on the manuscript submitted by her in future. The corresponding author of the article Lu Wang, Beijing Forest University will be informed of the decision of LNEP.

G. Henry
Editor-in-Chief
