Retraction Agreement

Retraction Agreement

*This agreement is the official document for the retraction application supported by EWA Publishing. *

Notes:

• The retraction application should be approved by all authors listed in the published article.

• The retraction process is entirely irreversible and permanent. Authors may not withdraw the retraction once the agreement has been executed (14 days after receiving the retraction application).

• The *Statement of Retraction* will be displayed on the publication website, replacing the previous published article. The previous published article will be linked with a revised title of "RETRACTED ARTICLE: [article title]". All author information will be retained in the new link.

• The retracted article should not be submitted to any publications operated by EWA Publishing.

• No refunds will be issued.

If, after carefully reading the above notes, you confirm to proceed with the retraction application, please complete the form below to initiate the retraction process:

Retraction Application Form	
Title of article	Research Progress on 2D Human Pose Estimation Based on Deep Learning
Name of journal/proceedings	Theoretical and Natural Science
Name of volume	TNS Vol.41
Article DOI	10.54254/2753-8818/41/2024CH0130
Name of author(s) (in order)	Наоуи Liu
Name of corresponding author	Haoyu Liu
Affiliation of corresponding author	University of Electronic Science and Technology of China
Email of corresponding author	731933957@qq.com
Reasons of retraction (this part will be displayed in the <i>Statement of Retraction</i> on the publication website)	Under the review of my supervisor, there are many things for improvement in my paper, including the classification of methods, the methods cited, and the summary and analysis of the methods. So I temporarily choose to retract this paper. Thanks for your understanding.

Please read the information below

If the retraction is disputed by the author(s):

This article will not be retracted unless all authors agree to this retraction agreement.

If the retraction is disputed by the publisher:

This article will not be retracted until the author(s) receives the retraction notification.

Authors have the right to contest the retraction.

The article will not be retracted within 14 days of receiving the application, and the authors can contest the retraction during this period.

Once the article's retraction has been executed:

The retraction will not be reversed.

The retracted article will not be accepted by any electronic or physical publications of EWA Publishing;

It is the author's responsibility to be aware of the information above.

The author has read all of the information above and agreed with this retraction.

Yes√ No□

The hand-written signatures of all authors:

刘昊煜
